## Part 8 Proceedings and Other Current Trends in Adjudication

Dear Members,

I am writing to provide you with details of an Adjudication Society London and South East Region event to be held on Wednesday 30<sup>th</sup> March 2011:-

**Title:** Part 8 and Other Current Trends in Adjudication

**Speakers:** Peter Aeberli, 3 Paper Buildings  
Kimberley Eyssell, Charles Russell LLP

**Venue:** [Charles Russell LLP, Buryfields House, Bury Fields,  
Guildford GU2 4AZ](#)

**Date and Time:** Wednesday 30<sup>th</sup> March 2011 – 17.30hrs for 1800hrs. Followed by refreshments kindly provided by Charles Russell LLP.

The use of Part 8 of the CPR in adjudication is increasing. Unsuccessful parties are using Part 8 proceedings to seek a declaration which they hope will finally determine a question which they believe has been wrongly decided by the adjudicator. Peter Aeberli will explore this fascinating area and will discuss the necessary requirements to achieve success in Part 8 proceedings.

Kimberley Eyssell will consider the relationship between the Technology and Construction Court and adjudication. Kimberley will also talk about the latest trends in adjudication, including the most recent report from the Glasgow Caledonian University Adjudication Reporting Centre.

This meeting is free for members and guests, but places must be booked in advance by email to [adjudicationsociety@mcms.co.uk](mailto:adjudicationsociety@mcms.co.uk).

This meeting is accredited for CPD by the Solicitors Regulation Authority and the Bar Standards Board for 1.5 hours.

With kind regards
