

Since the last report we have managed to start running 'in person' events again across the various regions. In particular, we held the first in a series of 'practical workshops', with further workshops due over the course of the next 12 months. We have also 're-set' the South West region of the society, and we anticipate a number of events being held within the region over the course of the next 12 months. Finally, we held another very enjoyable Adjudication Society Golf Day, and plan to do so again in 2023.
